Summer of 2000

When I looked for history of Upper Falls, the only thing I found was what Michael R. Kelsey wrote in his book "Climbing and Exploring Utah's Mt. Timpanogos". I knew that L. L. Donnan settled there in 1900 according to an early map of Provo Canyon located at the County Engineers Office. A special thank you to Mike Kelsey for letting me use his information.

I was given the name of Heidi White Muir and was told that she had some history of Upper Falls. When I called Heidi, she told me that she was the great grand daughter of L. L. Donnan and had pictures of Lyman and Dolly and some history and pictures. Heidi lives in Salt Lake City, and she came all the way to Provo to share her family history with me. I would like to thank Heidi very much for letting me use her material.
